

Profile

Marco Tominez

General Manager - Arkad-ABB SpA

Mr. Marco Tominez has been appointed General Manager of Arkad-ABB SpA in November 2019.

He has 34 years' experience in engineering, procurement and construction activities in the Oil, Gas, Petrochemical & Fertilizers industries worldwide, having held roles of increasing responsibility in his career path in major EPC Contracting Companies, either in the operation or commercial sectors. He has consolidated expertise in leading the complete cycle of EPC projects as main contractor or as a joint venture partner.

Prior to joining Arkad-ABB, Mr. Tominez covered commercial key roles in Tecnimont S.p.A, (2006-2013) and Petrofac L.t.d. (2013-2016), respectively as V.P. Commercial Services and Director of Proposals, where he contributed to successfully position the company in the complex MEA Oil & Gas market, assuring among other, the award to Tecnimont of the 4.7 bUSD Project "HABSHAN-5 GDP (GASCO-UAE)" and to Petrofac of the 700 MUSD Project "MGT System for GC29, 30 and 31 in North Kuwait (KOC-Kuwait)".

Mr. Tominez is 61 years old and is married, with one daughter. He holds a Master's degree in Nuclear Plant Engineering from the Politecnico di Milano, in Italy, and participated in many technical and commercial/project management training/certification programs and seminars.
